The entities listed above are merely examples of the type of companies and merchants that fall within the specified category. Space Coast Credit Union's (SCCU) products and services, are not affiliated, connected with, or endorsed by these companies.

Use this list as a guide; most fast food restaurants and coffee shops are included in this promotion. Quick service merchants located within other businesses (in gas stations, airports, bookstores, etc.) also qualify. Full-service restaurants such as Cracker Barrel®, Olive Garden®, etc. do not qualify in the promotion as they aren't considered to be a quick service merchant.

After the cardholder spends \$250 on qualifying purchases within the promotional period (**September 18 – November 18, 2023**), (1) \$50 Statement credit will reflect on their Space Coast Credit Union (SCCU) December Low Rate credit card paper and/or electronic statement, which will be distributed in January 2024. One statement credit per account will be applied. Only purchases that fall in the eligible purchase category will receive the stated credit. To be eligible for this promotional offer, the account must be open and not in default at the time of fulfillment.

SCCU makes every effort to include all relevant merchant category codes in purchase categories. Keep in mind that although purchases may fit or appear to fit within the included category, SCCU does not control how individual merchants and purchases are categorized. Therefore, SCCU cannot guarantee that a purchase will qualify towards the statement credit as any purchase where a merchant uses a category code outside of the eligible purchase category will not qualify.
